

This U. S. Coast Guard amphibious jet helicopter, with three men aboard, went on rescue operations in the Ferndale area late yesterday afternoon and has not been heard from since. It was last seen about 4:05 p.m. at the Arcata-Eureka Airport, where it

refueled. This picture was taken by Eureka Newspapers photographer Neil Hulbert about two hours before the 'copter disappeared. Bright white spots on the picture are raindrops reflected by the camera's flash.
