

March 11, 1945

We moved out of Ulithi. Are now
heading north toward Japan

March 18, 1945

We attacked Kure Island off Japan
mainland.

Before the attack at 3:15 in the
morning we were attacked by a large
number of fog planes, we shot down
all of them. One was shot down. 1500
ft. away from us.

We received attacks all day and
night by enemy planes. One scored
a hit on the ~~deck~~ and there was 68 casualties.
