

# The Art of Skating

A-skatin' all mornin' long sure can be a lot of fun...

...Today I dreamed I dressed in tails, and went on the town...

...While he and his friends bark constantly, I'm havin' lots of fun...

I keep hearin' Chief's concerned about my happiness,  
But all that thought he's givin' me is conscience, I guess.

If I were walkin' in his shoes, I wouldn't worry none.

While he and his friends bark constantly, I'm havin' lots of fun...

Fixin' aircraft as they fall, that don't bother me at all;

A-skatin' all mornin' long sure can be a lot of fun;

Smoking cigarettes and hearin' KEEN radio, Don't tell me I've nothing to do.

Today I dreamed I dressed in tails, and went on the town,

As long as I can dream the part, this life is hangin' round.

So, Chief, don't give a thought to me, I'm really doin' fine.

You can always find me here and havin' quite a time.

It's good to see you, I must go, I know it's gettin' late,

Anyway, my eyes are not accustomed to this light,

And my shoes aren't accustomed to this rough non-skid,

I'll go back to my space and do my daily thing...

Fixin' aircraft as they fall, that don't bother me at all;

A-skatin' all mornin' long sure can be a lot of fun;

Smoking cigarettes and hearin' KEEN radio, Don't tell me I've nothing to do;

Don't tell me I've nothing to do....
